Service Request: 71-699103084

Dear Keith

Thank you for your recent letter requesting a Chevrolet vehicle.

Chevrolet receives a great number of similar requests for vehicles each year. Many of these requests are from other very needy and deserving individuals or organizations, and we wish we could fulfill every one.

Unfortunately, General Motors is unable to grant this type of request. I do apologize for the hardship and situation that you have had to endure and hope that circumstances will improve for you.

Sincerely,

Chevrolet Customer Assistance Center
